Nga Waka was founded by the Parkinson family with the planting of the Home Block vineyard in 1988. Roger Parkinson has made every wine since the first vintage in 1993 and Vineyard Manager, Mike Kershaw, has tended the vines since 1996.

Nga Waka reaps the benefit of consistency and depth of local knowledge by having the same winemaker and vineyard manager for over 25 vintages.

We have seven small vineyards scattered around the village of Martinborough, producing mainly Pinot Noir and Chardonnay and small amounts of Sauvignon Blanc, Rose and Riesling.

Our name is taken from Nga Waka A Kupe (The Canoes of Kupe). The three hills, which lie side by side like upturned canoes. These form the backdrop for the town of Martinborough and its surrounds. Legend has it that the hills were formed by the three canoes of the famed Polynesian explorer Kupe, which were carried inland by a huge earthquake and came to rest in the valley behind Martinborough.

Thirty years on Nga Waka remains family owned, now by Jay Short and Peg Dupey. Roger is still focused on making wines that capture the essence of Martinborough in a restrained and elegant style, with the ability to age.

Our cellar door opened in mid October 2022. The architecturally designed building was the creation of Victoria Read of Aspect Architecture and Landscape Architect Hamish Moorhead. The building uses a lot of timber and carefully crafted design elements to emphasise and acknowledge the hand crafted yet complex nature of the Nga Waka wines.
